The Absolute Lowest Prices on America's Most Respected Furniture Brands!

Get the furniture you want... without spending a penny more.

Compare the risks and extra hidden costs of buying your new furniture from an out-of-state retailer. It won't take you long to discover that the joys and rewards of buying your new furniture right here in Colorado, from Kacey Fine Furniture, are well worth it.

Consider the following before you make your final buying decision:

- Kacey's prices are guaranteed to be equal to or less than any factory authorized dealer in the USA.
- You'll see the items you want in person. You won't have to worry about getting the wrong color, fabric, wood or finish.
- Kacey offers professional advice about designs, styles or special needs that are unavailable over the phone or online... all at no extra charge.
- Your purchase is shipped direct from the factory to our warehouse — no double and triple handling.
- Our highly trained service technicians uncarton, fully inspect, blanket wrap, and securely tie down each piece before delivery to your home.
- Every piece is carefully placed in your home... where you want it.
- You get a full factory warranty backed by our one-year in home service guarantee. Most furniture manufacturers will not honor warranties from retailers that ship furniture outside of their trading area.
- If replacement parts are needed, our customer service department will handle all the details and make sure your service problems are quickly resolved by our local staff of service technicians.
- Use tax liability — items shipped to Colorado from out of state are subject to use tax.

Visit the Kacey showroom nearest you to get the lowest possible cost on everything you want for your home. The best part is, we'll help make your home a special place.

The brands shown below are fair traded items and we offer them to you at the lowest prices allowed by the manufacturer. If you find a lower price from any authorized dealer in America, we'll match the price under the same terms and conditions with approval by the manufacturer. Better yet, you'll still get our local white glove delivery service and one-year, in-home service guarantee.

PENNSYLVANIA HOUSE

Individual attention to detail continues to be the hallmark of Pennsylvania House in the 21st century. Today, whatever the advances in technology, each talented craftsman still creates furniture with the same hands-on commitment. Two principles guide the company's course. First, the finest solid woods are used. Second, the company is committed to uncompromising heirloom quality construction.

HENREDON

Henredon was founded in 1945 by four men determined to build furniture of custom quality. The initial product line consisted of just three chests. It has since mushroomed into hundreds of beautiful wood and upholstery designs for every room in your home. Today, among people of discriminating taste, the name Henredon represents the best America has to offer.

BERNHARDT

One of the largest family owned and operated manufacturers of casegoods and upholstery in the United States, Bernhardt offers high quality in sleek contemporary styles as well as the more classic designs in dining room, bedroom and living room. Bernhardt furniture is made to match your lifestyle today and for years to come.

DREXEL HERITAGE

For over 100 years Drexel Heritage Furniture has been about more than just building furniture for your home. Drexel Heritage is about crafting the furniture of your dreams. Whether casual, contemporary or classic, Drexel Heritage offers an array of wood and upholstered furniture choices for a world of individuals.

Visit www.kacey.com and browse through all the collections we have available. Find out more about your favorite pieces, then come see them on display in our showrooms.
